

Ref No. 3dllp/2020-2021/1
2020

Date: 21st May 2021

TO WHOMSEVER IT MAY CONCERN

This is to certify that **Mr. Gaurav Gokhale** was working as **Computational Fluid Dynamics (CFD) Intern** and has successfully completed seven months (15th September 2020 to 14th May 2021) of technical internship with **3D Engineering Automation LLP**.

Details of his internship are as follow:

Supervisor: He was working under guidance of Mr. Sandeepak Natu (Partner, 3D Engineering Automation LLP).

Project description:

- Learned and used commercial softwares like Fluent, Spaceclaim and Icepak.
- Actively involved in live projects and has proved to be a helpful resource to the company.
- Worked on multiple simulation problems like turbulence, heat transfer, multiphase flows, fluid structure interaction, discrete phase flows, etc.
- Delivered customer training on some of the above topics.

During his internship program he demonstrated good analytical skills with self-motivated attitude to learn new skills. His performance exceeded expectation and completed his internship with whole lot of enthusiasm and dedication.

We wish him all the best in his future endeavor.
