

Letter of Reference

Mr. Gaurav Gokhale B. Eng. born on February 12, 1997 was employed in our company from June 15, 2022 to June 30, 2024 as Intern Simulation Engineer – CFD.

Altair Engineering GmbH, headquartered in Böblingen near Stuttgart since 1994 and with branches in Munich, Cologne, Hanover, Aachen, Dortmund, Freiburg, Regensburg and Graz, is a subsidiary of Altair Engineering Inc, Detroit, USA. Altair (Nasdaq: ALTR) is a global technology company that provides software and cloud solutions for virtual product development, high-performance computing (HPC) and data analytics. Altair enables organizations across industries to become more competitive in a connected world while creating a more sustainable future.

As Intern Simulation Engineer – CFD Mr. Gokhale took over the following task:

- Developing a system test procedure to assess MPI data transfer rate in single- and multi-node environments, host to host and device to device communication as well as access to GPUs using C++, CUDA and Python
- Implementing prototypes for automated process placement using hwloc and NVML APIs
- Implementing a build procedure using CMake for CUDA source code in Linux
- Developing data communication interface using Kratos/CoSimIO library for passing data between different applications through Python and C++ orchestrators
- Developing a prototype of co-simulation interface between Altair nanoFluidX and Chrono as well as conducting extensive tests using the developed prototype
- Developing a prototype of co-simulation interface between Altair nanoFluidX and Altair MotionSolve as well as conducting several tests using the developed prototype
- Maintaining prototype co-simulation branches in sync with updates in source code branches

Mr. Gokhale impressed us with his comprehensive, wide-ranging and in-depth specialist knowledge, which he was always able to apply confidently and in a target-oriented manner in practice. Due to his very good perception, he was always able to understand complex situations immediately and to find very good solutions straight away. Mr. Gokhale always worked using his own initiative and completely identified with his responsibilities and our company at all times. He always displayed an impressive level of dedication and motivation. Mr. Gokhale was always exceptionally willing to learn. In extremely stressful situations, he always displayed exemplary resilience.

He always completed his tasks completely independently, extremely carefully and according to a well thought-out plan. Mr. Gokhale worked calmly, thoughtfully, in a target-oriented manner and extremely precisely at all times. He continuously impressed us particularly in terms of quality and quantity. Mr. Gokhale always was extremely reliable.

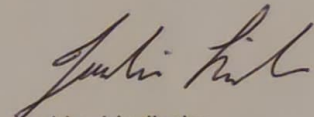

Mr. Gokhale always achieved outstanding results in terms of the quality and quantity of his work. He has always fulfilled his responsibilities to our utmost satisfaction.

He was respected by everyone for his consistently friendly and well-balanced demeanour. Mr. Gokhale was always helpful, courteous, and if necessary, he put the interests of others before his own. His personal conduct towards his line managers, colleagues and clients was always exemplary and loyal.

Mr. Gokhale is leaving our company with the end of his limited employment contract on June 30, 2024. We would like to thank him for his consistently very good performance and very pleasant cooperation. We wish him continued success and all the best for his future career and private life.

Böblingen, June 30, 2024

Altair Engineering GmbH
